

KWH

WORKHOLDING KITS

FLAT JAW & V-JAW VISE KITS

Our Flat Jaw Vise Kit and V-Jaw Vise kit make it easy to quickly hold parts of various shapes and sizes in your Laser Marking Enclosure.

The vises are self-centering, which keep your parts in a consistent position regardless of size.

Both kits are designed to mount directly to our laser enclosure fixture plate and can be positioned in multiple locations using the grid of mount holes.
